

Chloe Panchak

DANCE TEACHER

At 4 years old I fell in love with dancing when I took my first ever dancer class and I have been dancing ever since. I have trained in Jazz, Commercial, Hip Hop, Tap, Contemporary and Ballet. I was lucky enough to have a 13 year long professional career working around the world on cruise ships, in stage shows and the circus. I am very excited for my next adventure of moving up North and can't wait to meet everyone.
